A still life painting featuring a large, overflowing bouquet of flowers in a light blue ceramic vase. The bouquet is composed of numerous tulips in various colors including red, yellow, orange, and pink, interspersed with smaller white and pink blossoms and green foliage. The vase sits on a rustic wooden surface. To the left, a white cloth with red embroidery is partially visible. In the foreground, a dark metal tray holds a rolled-up scroll and some small flowers. The background is a soft, textured wash of green and yellow, suggesting an outdoor setting.

[illegible]

A still life painting featuring two vases of flowers and a bowl of lemons. The vase on the left is white and holds a bouquet of pink and purple flowers. The vase on the right is taller, with a woven or checkered pattern, and holds a bouquet of yellow sunflowers. In the foreground, a small bowl contains several lemons. The background is a simple, dark green wall.
